

Your Automation and Motion Control Specialists

PNEUMATIC PRODUCTS

3 & 4 way directional control valves, proportional pressure controllers

Grippers, cylinders, clamps, switches, slides, escapements, rotary actuators, sensors

Original Line stainless steel cylinders, Flat-I compact cylinders, Ultrarod rodless cylinders, compressed air filters, regulators, and lubricators

NFPA aluminum and stainless steel body air cylinders, triple-rod, non-rotating cylinders, and hydraulic cylinders

Air cylinders, push button valves, shuttle valves, exhaust mufflers, quick exhaust valves, pneumatic presses

Compressed air filters, regulators, and lubricators

Push-to-connect fittings for plastic tubing, ball valves, flow control valves and quick disconnect couplers

Hydra-pneumatic cylinders and presses

Compressed air filters, regulators, and lubricators

Coiled, multi ribbon, anti-static, and weld spatter-resistant plastic tubing

Rodless cylinders, belt and ball screw-driven electric actuators

VACUUM PRODUCTS

Compressed air driven vacuum pumps, vacuum cups, filters, hoses and fittings

Your Automation and Motion Control Specialists

ELECTRIC AND MOTION CONTROL PRODUCTS

Photoelectric sensors, machine vision products, measurement and inspection sensors, wireless sensing and measurement

Inductive and capacitive proximity sensors, flow and pressure sensors, cylinder position sensors, cordsets, relays, RFID, absolute encoders, networks, Ethernet, profibus, devicenet, foundation fieldbus, AS-interface, IP67 & IP20 solutions

FE Fuji Electric Group Frenic Series AC Drives and Inverters

HMI display panels, monochrome and color; 5.7" to 15"

Modular, distributed I/O bus systems, power supplies

Single-axis, cartesian, and SCARA robots, Robot controllers

Six-axis industrial robots

ALUMINUM FRAMING, GUARDING AND SAFETY PRODUCTS

T-Slot aluminum extrusion and fastening hardware

Relays, signal products, safety interlocks, limit and non-contact switches

Safety interlocks, safety gate switches, solenoid interlocks, control interlocks, mechanical trapped key interlocks

Safety mats, specialty mats, industrial safety mat systems

SHOCK ABSORBERS

Industrial hydraulic shock absorbers, gas springs and feed controls
